CENTARA SONRISA RESIDENCES & SUITES SRIRACHA

The striking design of Centara Sonrisa Residences & Suites Sriracha, with its cool whites and hues of blue throughout the newly built beachfront property, evokes the waters of the Gulf of Thailand in Sriracha, a former fishing village on Thailand's eastern seaboard.

Whether for a relaxing escape, a fun family holiday, or a successful off-site meeting, Centara Sonrisa Residences & Suites Sriracha features an abundance of facilities and amenities throughout, offering everything you need for a memorable stay.

LIVING

Choose from an array of accommodation options among the 145 units, including Superior, Deluxe and Deluxe Ocean View guestrooms perfect for two adults. Family Residences and Residence Two Bedroom comfortably accommodate up to five adults, thanks to spacious layouts of up to 64 square metres.

The spaciousness is enhanced by separate living and dining areas as well as by the large picture windows that frame views of the surrounding areas or the sea. All accommodation options come with a balcony.

CHILLING

There is an abundance of facilities to provide guests with everything they need to make the most of their visit. Families will enjoy cooling off in the large sea-facing swimming pool with adjacent Jacuzzi whirlpool. While, **Sky Deck** is perfect for light snacks, cocktails and refreshments. **Zing** serves a full menu of hot beverages, pastries and bakery items in the lobby area.
