## CENTARA Q RESORT RAYONG

Nestled within the green and tranquil Loem Mae Phim beach area, Centara Q Resort Rayong is a totally relaxing and peaceful holiday destination for everyone who's looking to escape the daily grind. Beyond the beach, there are several quiet islands to visit in the bay, including popular Koh Samet and Koh Man Nai, and the resort is close to several golf courses.

## LIVING

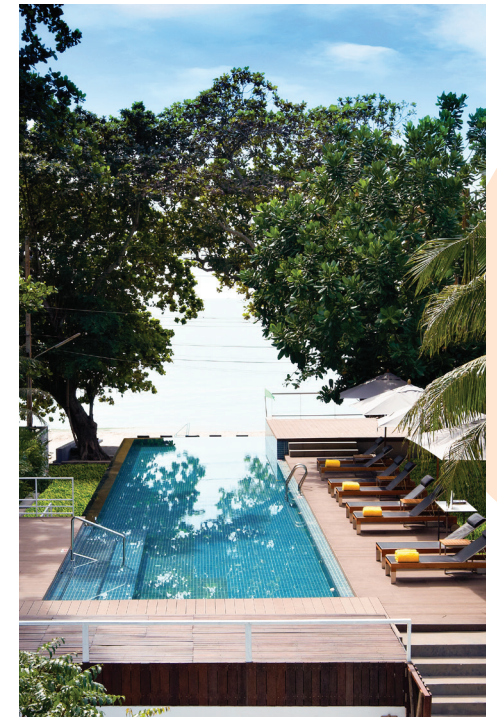

All of the 41 rooms have been freshened with a contemporary design, offering light and airy interiors. Most rooms feature a furnished balcony or terrace overlooking dazzling sunlit ocean views. Whether you're travelling as part of a couple or a family, we've got the right space to suit you, and make sure you're utterly comfortable. We also provide complimentary wireless internet access.

## CHILLING

The resort offers plenty of leisure activities, set directly on the beach as it is, including kayaking, windsurfing, and you can head off to explore nearby islands such as Koh Samet and Koh Man Nai. If you'd prefer to see a little action on land, then we can set you up to go mountain biking. There's also a shimmering pool where you can float idly amongst the big blues of the crystal-clear pool and, just beyond, of the Gulf of Thailand. Children and the older ones will enjoy their own **E-Zone** while **Cense by SPA Cenvaree** await those seeking total surrender to peace, quiet and some rejuvenation. And of course, all of this idyllic relaxation can be contrasted with a great work out at our **fitness centre**.

## DINING

You'll find various choices of dining options, hailing from East to West and everywhere in between. **QZeen**, the resort's all-day dining restaurant serves Thai and international favourites in modern style, while **Quicksand**, the beachside bar, is the perfect place to sit down for a light meal and some cocktails. For more of a meal while relaxing in the evening, **Qube Bar** is a great place to enjoy our fresh fruit drinks or delicious ice cream by the pool while gorgeous sunset views divert you. In-room dining is also available.

## MEETING

The resort is a perfectly designed venue for small to medium-sized meetings, offerings fully-equipped audiovisual, connectivity facilities and complimentary wireless internet access. Warm, soothing colours and a modern décor make the resort's function rooms suitable for any festive or corporate event, from small wedding receptions through to formal meetings.
