Guests also have a choice of one-, two-, and three-bedroom pool villas ranging from 68 - 190 sqm, all infused with traditional or contemporary Spanish Mediterranean design elements. Villas along the water's edge enjoy uninterrupted views over the sea, while hillside villas enjoy proximity to one of two pools with a continuous length of 250 metres winding gently between the villas.

## FULLY INTEGRATED DESTINATION

## SPIRIT OF EXPLORATION

Nestled on a palm-fringed coastline, part of Phan Thiet City, Mui Ne is well known for its white sandy beaches, kite surfing, and water sports activities. Dubbed “the resort capital”, Mui Ne is enticing for all types of travellers and can be enjoyed at any time of the year. The best time to visit is from April to August, but from August to December, Mui Ne’s wind conditions make it the ideal place for world-class windsurfing and other extreme water sports.

Our team and tour information desk will gladly arrange excursion and activities, including quad biking at White Sand Dunes, sandboarding down the Red Sand Dunes, or cultural experiences to discover fishing villages, dragon fruit farms and Cham ruins – remnants of the ancient Champa Kingdom that once ruled south-central Vietnam. We can also arrange for you to visit the jungle-clad Ta Cu Mountain, where a two-hour trek or short cable car ride to the top brings you to the largest reclining Buddha in Vietnam.

Recently recognised as a national tourist site, Mui Ne is poised to become one of the most-visited destinations in the Asia-Pacific by 2030.
