CENTARA ANDA DHEVI RESORT & SPA KRABI

Krabi is set on the edge of Phang Nga Bay, a region known for its green clad-cliffs, towering limestone islands, hidden caves, beaches, fishermen's villages and wild beauty unlike anywhere else in Thailand. Centara Anda Dhevi Resort & Spa is a family-friendly resort that is situated only moments away from the soft sands of Nopparathara Beach. It is also conveniently close to the centre of the Ao Nang area with a plethora of entertainment and shopping outlets. Whether its comfort, leisure or exploration, the resort has everything to offer.

LIVING

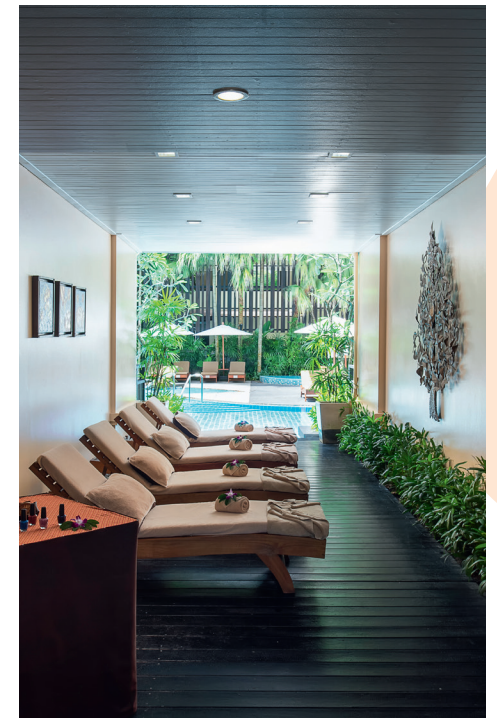

The 133 subtly-decorated rooms and suites come with king, twin or two double bed options with a furnished balcony plus bathroom with separate shower and bathtub, and are designed with soft tones, wooden accents and décor elements. A number of rooms overlook the pool while some offer pool access from the balcony, including the Deluxe Pool Access rooms and Junior Suite Pool Access while the Family Suite Pool View has a large furnished balcony, living and dining areas, and a separate area for children with bunk beds suitable for small families. Complimentary wireless internet access is also provided.

CHILLING

The resort offers a comprehensive range of recreational and relaxation facilities including a 43-metre long swimming pool complete with a waterslide, Jacuzzi and swim-up bar; a children's pool and **Kids' Club** with **Camp Safari** and **E-Zone**, plus a **fitness centre**. The resort's convenient location makes it an ideal base from which to discover Krabi, with an on-site tour information desk that can arrange island-hopping excursions, diving, snorkelling, kayaking and sailing, plus trekking and cave exploration trips.

While our SPA Cenvaree is currently under renovation, guests can still enjoy rejuvenating treatments at our nearby sister property, Centara Ao Nang Beach Resort & Spa Krabi, with a complimentary shuttle service from the hotel.

DINING

Southern Thai cuisine and fresh seafood are amongst the culinary pleasures of Krabi, and the resort's **Palm Court**, an all-day dining restaurant, offers tempting menus including local specialities along with traditional and modern Thai, Asian and Western dishes. Themed buffet nights are also available for the dinner. **Coco's Pool Bar** is the place to enjoy refreshments and light snacks, with a variety of cocktails available throughout the daylight hours. **The Lobby Bar** is the venue to relax on large sofas in a living-room style for morning coffee, afternoon tea, and evening cocktails. In-room dining is also available.

MEETING & SIGHTSEEING

Anda Devi I and II are the resort's two main meeting venues, located upon the second floor. These two versatile spaces form a complete solution for professional or private gatherings, coming complete with a full suite of audiovisual equipment. They can be set up precisely as you wish for business meetings, cocktail events, receptions or full-scale conferences or seminars. Anda Dhevi I can hold up to 200 guests, while the adjacent outdoor area provides an ideal place for intimate cocktail receptions. Anda Dhevi II can accommodate up to 120 persons and enjoys abundant natural light. The resort is also a popular venue for weddings, engagement celebrations and vow renewals, all of which can be conducted on the nearby beach. Whether you are planning a secular or religious wedding, our professional teams can help you make it unforgettable. There is also a wealth of water and land activities close by for those who wish to relax or take part in incentive group or team building exercises. Our in-house professional tour desk staff are also available to provide tourist information, activity arrangement and transportation booking, plus sightseeing around Krabi can be organised upon request.
