CENTARA AO NANG BEACH RESORT & SPA KRABI

Centara Ao Nang Beach Resort & Spa Krabi is Centara's fourth and newest resort on Krabi. It is situated along the beachfront at the quieter end of Ao Nang Beach, long regarded as one of the world's finest beaches.

The resort is directly on the beachfront and features a contemporary architectural style, with a sleek low-rise design embodied in the cluster of buildings that border the free-form swimming pool and the beachfront terrace. The resort appeals to a variety of travellers, making it ideal for family holidays, a romantic couple's escape, or weekend adventure for a group of friends.

Krabi International Airport is a 40-minute drive away, and a short longtail boat ride will bring you to the fabled Railay Bay.
