CENTARA RESERVE KRABI

Centara Reserve Krabi is a refined reimagining of the former Centara Grand Beach Resort & Villas, introducing the elevated luxury of the Centara Reserve portfolio to one of Thailand's most striking coastal destinations. Thoughtfully redesigned, the resort blends contemporary elegance with its natural surroundings.

As the next chapter in the Centara Reserve story, the resort reflects a natural evolution of the brand, defined by craftsmanship, considered design, and personalised service, and inspired by Centara Reserve Samui.

Set along a secluded stretch of Pai Plong Bay, the resort is framed by dramatic limestone cliffs and emerald waters, offering a rare beachfront location just moments from Ao Nang, yet a world away in atmosphere. Designed for discerning travellers, Centara Reserve Krabi delivers privacy, personalised service, and a sophisticated sense of place rooted in nature and authentic Thai culture.
