HAPPY FAMILIES

FREE HOLIDAYS FOR CHILDREN

With myriads of family-oriented Centara properties in stunning destinations, families travelling to the Far East and the Indian Ocean are spoilt for choice. Centara hotels and resorts offer a generous collection of benefits that cater to the needs of families. Detailed within this brochure are our policies and conditions, please ensure your reservations clearly indicate the choice of the guest to avoid incorrect billing.

CHILDREN STAY FREE *WHEN BOOKING DIRECTLY ON THE CENTARA WEBSITE

Up to 2 children may stay free when sharing with 2 adults guests in a room utilising existing bedding, subject to the room type and the individual hotel's policy.

Clarification by room type (for correct room type booking). Please refer Family Plan Policy in the contract.

KING BED	May permit one small child to share with room parents using the king bed.
TWIN BEDS	Have no option for existing bedding shares, extra bed always required.
DOUBLE / DOUBLE ROOMS	Available in selected properties and can sleep up to 2 children using one of the double beds.
SUITES AND VILLAS	Depending on bedding configuration shown above.

*The availability of benefits is subject to individual property policies and applicable terms and conditions.

Please note that child extra bed rate will apply at designated properties albeit children are staying with parents using existing bedding.

EXTRA BED REQUIREMENTS

Where existing bedding policy is not an option and there is a requirement for extra bedding, please apply the extra bed rate on your contract.

Child extra bed – under 12 years of age

Adult extra bed – 12 years and older

Please note, adding an extra bed to rooms does restrict circulation. Guests should be informed.

"Space restrictive" indicates that we do not recommend adding an extra bed whereas "space limitation" is for information.

SINGLE PARENT FAMILIES

When children travel with a single adult parent, please use the single room rate for rate calculation.

The first child sharing the room will be free of charge; extra will be charged at the extra bed child rate.
